

### **Practice Play** – ongoing

This may be the very best way for new players to sharpen their skills in bidding and play. Each week Janie or Sharon present a short lesson on a topic and then have about 8 hands related to that lesson. You bid and play the hands, pausing frequently to talk about the “right way.” The cost is \$7.00 per week. You don’t need a partner.

**Saturday mornings 10:00 – 12:00**, every week. Instructors: Janie Hodge / Sharon Austin.

### **Hands From Last Week** – ongoing

Gil Herod checks the results from NLM games the previous week and looks for ones lots of people had trouble with. He then discusses how they should be bid and played. The cost is FREE!

**Tuesday mornings 9:00 – 9:45**, every week.

### **Sharon’s Choice** – ongoing

Each week Sharon picks out about 8 of the most difficult problem hands she can find. Sometimes they come from a game, sometimes from a book, and sometimes I think they come from her nightmares. OK, that’s probably an exaggeration. But she does pick some challenging hands for the class to play and discuss. Cost: \$10 per lesson. “By invitation only” – Check with Sharon

**Wednesday mornings 9:30 – 11:00** when Jerry isn’t here.

### **The Expert Path** – ongoing

Jerry Clerkin was the top Bridge Player in Indiana last year (His brother was second). Once a month Jerry comes to the Bridge Center to discuss a topic of his choosing. This class is for advanced beginners and intermediate level players. Cost: \$20 per lesson.

**Wednesday mornings 9:00 – 11:00** once a month. Check at the club to see which Wednesday Jerry is here.
