We are holding a special charity game for the Stansfield Circle. They were founded in 1912 to provide services to deserving children in Indianapolis. Since 1934 their primary focus has been the Fletcher Place Community Center near Fountain Square. ### **Director's Tip of the Month.**

If you have received misinformation about your opponents system, such as by a failure to alert you are only entitled to a score adjustment if you have been damaged. An experienced player who should know or suspect that an alert may have been missed is not entitled to an adjustment if they proceed without clarifying the situation.
